The Link  
353 W. A. St.  
Casper, WY 82601

March 14th @ 7pm  
The Borgious Pig Coffee Shop  
114 W. 2nd St.  
Casper, WY 82601

Vision Beyond Borders Women's Ministry aims to rescue women out of the clutches of sex trafficking. In India our contacts and team members work for the Kingdom of Christ spreading His Word through the Red Light Districts. Team members have prayed with the victims of sex trafficking, the children born into the brothels and the men behind these tragic occurrences.

In 2020 our Vision For Women ministry wants to rescue more women than we ever have before. We have seen how effective prayer is on these women and children when they come to Christ and say they want to be rescued. Our next step is to get them out of the brothels and into our safe house to transition into society. With the help of our donors and the Lord's guidance we can give these women a new life in Christ.

Our Romania ministry is beginning street evangelism to a poor area of town where girls often drop out of school, become pregnant and/or get taken into sex trafficking. Ministering to these women and encouraging them to finish their education can save them from the enemies hands. Vision For Women is planning on sending interns to Romania in the summer of 2020 to help with this street ministry and rescue more women off the streets.

We want to thank all of our supporters for our Vision For Women ministry and encourage you to continue praying for these women. Only God's gracious love and forgiveness can help us in this fight.

*And so we know and rely on the love God has for us. God is love. Whoever lives in love lives in God, and God in them. 1 John 4:16*
