

VISION BEYOND BORDERS

VISION FOR PASTORS

Vision Beyond Borders supports over 230 pastors around the world and we pray that those numbers continue to grow this year. Some of our Hmong pastors in Vietnam are sponsored for an entire year and we pray that will soon be the case for every pastor.

In Nepal many pastors have church service in a rented space or outside. Our contacts are asking for prayers for building a church hall or new land to purchase for their congregations to be able to meet in peace.

A traveler who recently returned from Cuba, told us that the church seemed to be thriving. The pastors in Cuba are very generous and give things they don't even have for themselves. He noticed that the church seems to be focused on discipleship making instead of just having a large church. This is what we pray for the church in Cuba. We pray God would give them serving loving hearts to take care of their congregation and spread His word through the community. It seems God is doing just that. As our contact, the pastors wife said, "we see miracles every day." The Cuban church does not have a plan B. God shows up in plan A and in miraculous ways.

We see God moving in all of our pastors lives around the world and we ask for continued support and prayers that we can see more growth and movement than ever before. We want to thank all of our Vision Beyond Borders supporters because without you these pastors would not be where they are today.

Vision Beyond Borders supports pastors in Nepal, Cuba and Vietnam. With your help of \$25-\$35 a month it provides a pastor and his family with an entire month wage and materials for his church. If you would like to sponsor a pastor please visit our pastors page and fill our our pastor sponsorship form.

NEVER BE LACKING IN ZEAL, BUT KEEP YOUR SPIRITUAL FERVOR, SERVING THE LORD.
