BIBLE DISTRIBUTION UPDATE

Two million Bibles and counting. That's how many copies of God's Word have been distribution around the world by Vision Beyond Borders since 1994. From handfuls of Bibles smuggled in luggage to mass deliveries by van or shipping container, VBB has sought the best means available to share Bibles with those who are seeking or in need of God's Word.

In Honduras teams use river boats to deliver Bibles to pastors and evangelists so they can share God's Word. Thousands of schoolchildren have received Bibles and are receiving instruction in them through outreach programs.

Many times over the years Bibles have been delivered to congregations where there was only one Bible shared by many believers. This grieved one pastor as he watched his flock pass their one Bible around as he expounded a passage. So he asked the congregation to spend the afternoon in prayer, crying out to God that they would all have Bibles. The next day a delivery team knocked at the pastor's door, asking if they needed Bibles! Praise God!

God is using the Bible distributions to bring salvation to many. Another distribution team reported an entire police unit came to faith in Christ! Here is a photo of them receiving their Bibles. From schoolchildren in Honduras to police in Venezuela to villagers from Ethiopia to Laos, a great harvest of souls is being gathered through the sharing of God's Word. We thank every VBB supporter who has helped make this ministry possible!

At a remote settlement in the mountains of Venezuela, a little girl, "Sara," kept telling her mother that God said Bibles were coming. Of course the adults didn't listen. No one ever came to their homes at the end of the road. Then one day a Bible distribution team drove for hours seeking a remote church in the mountains. They knew where it was on the map and drove towards it, but the road came to an end among a few houses on the wrong side of the mountain range. The team got out and began handing out Bibles. They soon noticed Sara crying. She had been overlooked in the Bible distribution! Her mother explained about Sara's message, and with joy she was given her very own Bible. Sometimes we aren't lost; God is just directing us based on His plans, not ours!

Some of these believers have waited years for their own Bible. Women like Amarelis Godoy of Venezuela, who recently received a Bible from VBB seven years after coming to faith in Jesus. It is a comfort to her in the midst of tragedy like the death of her adult daughter.
