VISION  BEYOND BORDERS

# Message from the Founder

We are so grateful to the Lord for His faithfulness. Over the past thirty years we have been able to deliver over 2.1 million Bibles to persecuted and poor Christians around the world.

I remember the first Bible I received after I was saved. It was so exciting to hold God's Word in my own hands. Having the opportunity to read God's Word at any time night or day was so encouraging. Now forty years later I'm still so grateful to have the Truth that never changes in these crazy, uncertain times and to know the Creator of the universe through His Word.

Through your prayers and support we are working to provide 500,000 more Spanish Bibles to people in Latin America who don't have the truth of God's Word. I was recently blessed to see a video of a prison in Venezuela where the whole prison yard was filled with prisoners on their faces repenting for their sins and asking God to send a revival to Venezuela. It is encouraging to know that these prisoners have God's Word and see the importance of humble prayer based on the Word of God.

For only \$2.70 we can print and distribute a hard cover Reina Valera edition of the Bible in Spanish. Many times, one Bible is shared by many family members so for a small investment we can see God touch many lives for His glory.

Would you prayerfully consider a gift that will affect people for eternity? An investment in God's Word will bring glory to God!

God Bless you!

"As a result of your ministry, they will give glory to God. For your generosity to them and to all believers will prove that you are obedient to the Good News of Christ."

# THE STORY OF SARA:

We were driving for a long time trying to locate the church, but could not locate it. After approximately three hours of driving we arrived at a very remote place in the mountains where there was not much access to go by car. We asked for directions and they told us that the place we were searching for was in the opposite direction. We asked them if they needed Bibles and they rejoiced because they did not have any. When we handed the Bibles to them we saw that a young girl was crying. We asked her mother why the girl was crying. Her mother responds, "Oh, she had been telling us that the Lord had been talking to her about some Bibles that we were going to receive soon and we didn't listen to her and now we all received the Bibles and she did not receive one." So we gave a Bible to her. Everything has a purpose when we are doing the work of God; the Lord will guide us to His perfect will.

"The grass withers and the flowers fall, but  
the word of our God endures forever."  
ISAIAH 40:8

# A TESTIMONY FROM Alejandro:

My name is Alejandro Salazar and I am 28 years old. It is a miracle I am here since three years ago I had a serious accident. I was unconscious in intensive care with multiple injuries. I still have difficulty walking. I could not see, hear or speak during the time that I was unconscious. It was like a dream and everything was dark and I could not find where to run because I was alone. I felt desperate. Then there was a moment when I saw a light and I followed the light and woke up. From that time on, my mother and I have been converted to Christ. My mother says that the Lord had been calling her for a long time but she did not obey the Lord's call. Right now as we are receiving Bibles she has tears in her eyes and speaks of the immense mercy and love of the Lord towards me and my family. By His Grace and for His Glory!

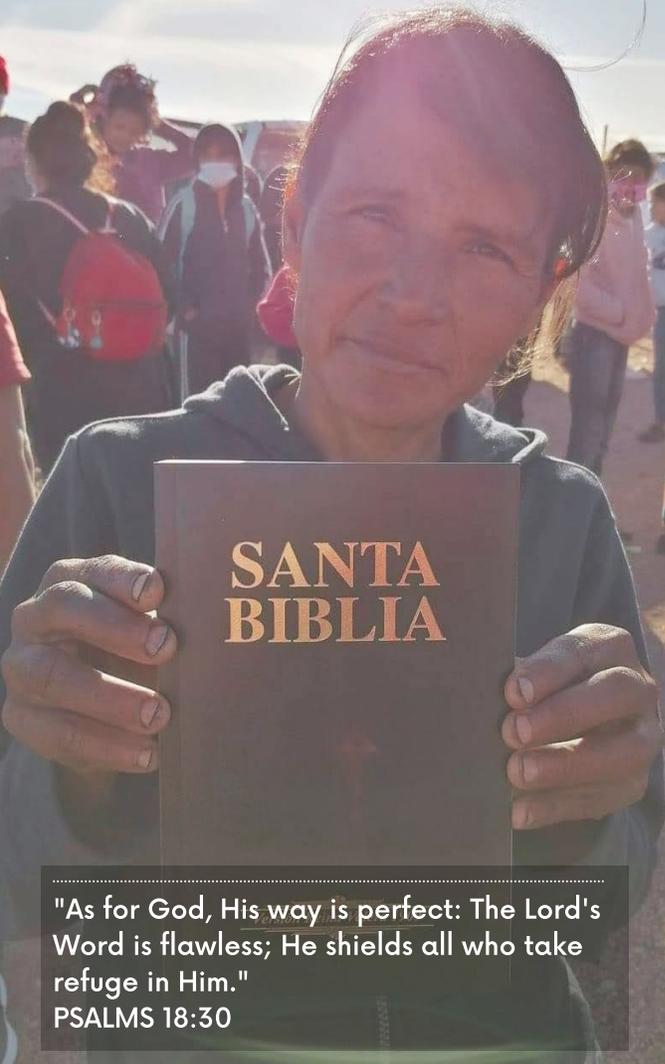

"I have not departed from the commands of his lips; I have treasured the words of his mouth more than my daily bread."

JOB 23:12

# THE STORY OF Amarelis:

As a mother Amarelis has lost two children. Her first born was a little boy who passed away at 6 months old from an illness. The second child was a daughter who at 24 years old left for work one day and was in an accident. After the loss of both of her children Amarelis didn't know how to handle the trauma. She felt like she was beginning to lose her mind, until she found the Lord.

Seven years ago she accepted Christ into her heart and was given a Bible from one of her friends. This Bible (pictured on the left) was torn and missing many chapters. With this well-loved Bible, she studied the Gospel rigorously and is now in charge of her own cell group. After receiving a brand new Bible at a distribution in Venezuela she praised and glorified the name of our Lord Jesus Christ!

# A STORY FROM **Mexico:**

This year we have been distributing Bibles to villages all over Mexico. In one of the villages we met a woman that had been praying for many years to have a Bible. Bibles here in Mexico are very expensive and the people's income is very little so none of them can afford a Bible. When we went to that woman's house to visit her and bring her a Bible she was crying. She felt like we were an answer from God. The fact that someone would come to her house and visit her and bring her a Bible touched her deeply. We know that only God can touch hearts like that and raise His people up to reach other people for Christ. We give glory to God because we know we are just the body of Christ.

"As for God, His way is perfect: The Lord's Word is flawless; He shields all who take refuge in Him."
