# Spanish Bible Project

Hear from the staff at Vision Beyond Borders about how Bible projects make a difference for thousands of people around the world.

Patrick Klein - Director

Sometimes I try to think what life as a Christian would be like without God's Word, especially in a world where the world is telling us how to think and how to act. How would I know what God is like or what He requires of me? What would bring peace of mind and heart in war torn countries or in persecution?

Through your prayers and support we are working to provide 500,000 more Spanish Bibles to people in Latin America who don't have the truth of God's Word. I was recently blessed to see a video of a prison in Venezuela where the whole prison yard was filled with prisoners on their faces repenting for their sins and asking God to send a revival to Venezuela. It is encouraging to know that these prisoners have God's Word and see the importance of humble prayer based on the Word of God.

For only \$2.70 we can print and distribute a hard cover Reina Valera edition of the Bible in Spanish. We would like to print 500,000 Spanish Bibles for free distribution. Many times, one Bible is shared by family members so for a small investment we can see God touch many lives for His glory.

Silvia - Latin America Liaison

The current crisis has made the most vulnerable communities poorer, hungrier, and hopeless. In fact, extreme poverty in Latin America has peaked because of the Coronavirus. It is important for us as Christians to see this situation as a GREAT opportunity to bring hope to the one who does not have it. Giving a Bible as a gift is one of the noblest acts anyone can do, as we give someone a chance to receive salvation and hope through the Word of God, and to have a relationship with Him.

Personally, I can see that in Cuba and my beloved Mexico, the message of the Gospel continues to spread as lives are transformed by the love of Jesus. People have left everything to travel to difficult regions and bring the good news to the natives and needy. However, there is a growing need to be able to arrive not only with help that meets their basic needs, but with Bibles that will be of vital importance for the times we are living in. God is doing something in people's hearts as they are more open to the Gospel. We are in front of the best time to "invest" in the Kingdom, and the Spanish Bible Project is one of these means of investing. I thank God for the living and committed Church He is raising for such a time like this.

Yenny - Vision for Pastors Coordinator

Venezuela has been experiencing the worst year in its history. In recent years, hyperinflation devoured Venezuelan money, leaving a minimum wage of just \$1 per month. This has caused an estimated five million Venezuelans to leave the country in search of a better life. Additionally, the COVID outbreak has claimed thousands of lives in Venezuela.

A change in Venezuela is crucial, but the change it needs is not necessarily a change of government leaders. Venezuelans need a renewal of their minds, Romans 12:2. That is why VBB has been bringing the Word of God to hundreds of thousands of Venezuelan homes, bringing hope and transforming lives! The testimonies are very encouraging, VBB has delivered Bibles to churches where the members of the congregation did not have Bibles and those that had were in very bad condition. Due to the chaos and despair that Venezuelans face, churches are growing in numbers. As people are looking for hope in God, the demand for Bibles is great. Glory to God for that!

For just \$2.70 a Bible you can help send 500,000 Bibles to Latin America and make an eternal impact!
