# VISION FOR CHILDREN UPDATE

## PAKISTAN

Safe Haven Home has seen much blessing and trial recently. Five of the older children were baptized over the summer and it was celebration! They also were able to purchase a new van to help with their transportation needs. Just a few weeks ago we learned that their landlord has asked that they vacate their current home, it has been challenging searching for a new space to accommodate all the children. Even harder though was the loss of three young brothers whose extended family members removed them from the home.

"EVERY WORD OF GOD PROVES TRUE; HE IS A SHIELD TO THOSE WHO TAKE REFUGE IN HIM."  
PROVERBS 30:5

## NEPAL

Esther's Home in Nepal was hit hard by COVID over the summer. Pastor Amber Thapa, who oversaw the home, tested positive for COVID and passed away soon after. Several of the children then tested positive, but were all asymptomatic and recovered quickly. We continue to grieve with them over their devastating loss.

Asha Nepal Homes were in critical need of relief funding due to COVID this summer. Thankfully, we were able to send additional funding to help cover much of the costs on very short notice. The funds were used to help with costs of food, medical supplies, and educational materials for the children.

## MYANMAR

It has been increasingly difficult to communicate with the children's homes in Myanmar since the military took control of the country shortly after the start of the year. A few of the homes were even searched by the military, putting the older children at risk of being taken. Construction at Ms. Emerald's Home has come to a complete halt, as there is no access to building materials. Several positive cases of COVID were reported in Ms. Emerald's home as well. Our contacts continue to persevere so the children might remain hopeful even in the face of these circumstances.

We pray that God will intervene in the country and put an end to the violence and oppression. The media has all but stopped reporting on the events unfolding in the country, so we ask that as you remember these children in your prayers, you would also use your voice to share with others about what's happening in Myanmar.
