SAFE HAVEN

Children's Home

Safe Haven was founded in July 2019 by Vision Beyond Borders. This home aims to bring children off the streets of Pakistan and meet their needs in a Christ-centered home.

This past year, Safe Haven moved to a more spacious building, allowing the home to receive new children. Six new children including two sets of siblings who are also cousins, joined the home last year. The fathers of both groups of children recently died, leaving their mom's widows. Two new girls have come to the home since the New Year began. This brings the total of children at Safe Haven to sixteen.

One drawback to the new building is its limited outdoor space; there's not much room for the kids to play in the sunshine. With the political unrest in 2022, it was difficult for the children to go on outings away from the home. As a result, it has been necessary for the home to create more indoor activities for the children. VBB assisted with this by supplying musical instruments for the children. A small house church in Montana also donated yarn, craft materials, crayons, coloring books, and classic children's literature. These items got to the children just in time for Christmas!

For Christmas, the children and the workers at the home put together a play to reenact the birth of Jesus. As the New Year dawned, they were able to go on an outing to a local park where they had a great time playing outdoor games and racing. A new van helped with this as did a pause in the unrest which made this outing possible. Those who oversee the home asked that we please pray that the nationwide situation would stabilize so that they could go outdoors more often!

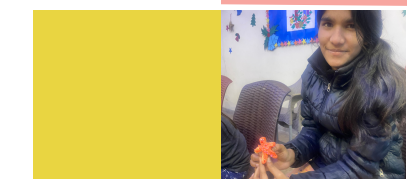

Prayers for Safe Haven

Pray that God gives the caregivers wisdom as they share the love of God with the children.

Pray that the lives of the children would be changed, and they would desire light over darkness.

Pray for the children as they sharpen their English skills through reading the classic literature. This will better prepare them to find good jobs when they become adults and leave Safe Haven.

Pray for God's protection over the children and for the staff and caregivers families and homes.

Pray for God-directed opportunities to bring more orphans and street children off the streets and into Safe Haven.
