SPANISH BIBLE PROJECT

PATRICK KLEIN - DIRECTOR

As a Christian, I often contemplate what life would be like without God's Word, especially in a world where the secular influences dictate how we should think and act. Without the Bible, I would be left without knowing who God is and what He expects from me. I wonder how people in war-torn countries or facing persecution would find peace of mind and heart without the comforting and guiding words of Scripture.

That's why I'm so passionate about our mission to provide 500,000 more Spanish Bibles to those in Latin America who lack access to the truth of God's Word. Through prayers and support, we are making a difference in the lives of people in need. One impactful moment was watching a video from Cali, Colombia, where pastors expressed their excitement and gratitude for receiving Bibles. They are fervently praying for their city to turn to Jesus and are committed to distributing the Bibles free of charge to those seeking the truth. Witnessing so many pastors come together to share the Gospel is truly inspiring.

For a mere \$3.10, we can print and distribute a hardcover Reina Valera edition of the Bible in Spanish. Our goal is to print 500,000 more Bibles for free distribution, knowing that often one Bible is shared among family members, exponentially touching many lives for God's glory. Each Bible we provide represents a powerful tool for transformation, bringing hope, guidance, and faith to those who desperately need it. Through this initiative, we hope to make God's Word accessible to all and make a positive impact in the lives of people across Latin America.

CELL GROUP - YUCATAN

In our cell group in Hunucma, Yucatan, we used to face challenges with understanding the Bible due to different versions and some not having a Bible at all. Now, with everyone having the same version, we're growing together. Our pastor introduced a Bible reading plan in the back of our new Bibles, and it's been a game-changer. We read the plan diligently, discuss it during our meetings, and our group is thriving like never before, united in our faith and love for God. The supportive atmosphere has also become a source of comfort and strength as we navigate life's ups and downs together. We are grateful for the transformation that the Word of God has brought to our group, and it has deepened our connection with each other and with our faith.

MERCY - YUCATON

I am Mercy, and I have been a part of the church for almost a year without owning a Bible. Unfortunately, my husband's alcohol problems and our financial constraints made it impossible for me to afford one. Desperate to study the scriptures, I resorted to using my son's New Testament book, but the unfamiliar version and incomplete content hindered my understanding and memorization of the verses.

However, a ray of hope emerged when someone from the church noticed my situation and kindly gifted me a complete Bible of my own. I cannot express the overwhelming happiness and gratitude I feel for this precious gift. With my new Bible, I can now delve into the entire Word of God, and it has brought a profound sense of joy and thankfulness to my heart. This Bible has become my constant companion, reminding me that there are caring and supportive individuals around me. It has strengthened my faith, providing solace and guidance through the trials my husband and I face. I am determined to cherish and use this gift to deepen my relationship with God, and I am eternally grateful for the love and grace that have touched my life through the kindness of others.
